FIELD STUDIES COUNCIL: BACKGROUND INFORMATION

Field Studies Council (FSC) is an environmental education charity providing informative and enjoyable opportunities for people of all ages and abilities to discover, explore, and understand the environment.

Our Mission is to bring environmental understanding to all.

Our Vision is inspiring environmental understanding through first-hand experience

What we believe -

FSC believes that the more we understand about and take inspiration from the world around us the more we can appreciate its needs and protect its diversity and beauty for future generations.

In all we do, we are committed to:

- **Delivering first hand experiences.** FSC uses the environment to inspire. Taking in its sights, sounds and smells has the ability to motivate, deepen knowledge and broaden horizons.
- **Providing opportunities for everyone.** FSC strives to provide opportunities for everyone regardless of age, ability or background.
- **Sustainability for the future.** A commitment to the environment is at the heart of everything FSC does: how we run the charity, what people learn on our courses and through our publications.
- **A caring attitude.** From the way we treat our customers, our staff, the environments we work in and the feel of our locations, FSC demonstrates a personal approach with great care taken in everything we do.

What we do -

For more than 70 years FSC has touched the hearts and minds of people of all ages through courses at our network of learning locations, work overseas and the production of resources. Each year over 140,000 people experience FSC many through a visit to one of our learning locations

- Learning outside the classroom experiences with their school, college or university
- Professional training courses for environmentalists and teachers
- Natural history courses
- Identification guides and free resources
- Funded projects both in the UK and abroad
- Art courses
- Family holidays
- Campaigns for the right to outdoor learning and fieldwork

Some of the FSC's proudest moments have arrived when trying to reach those who would not be able to have an FSC experience without some help. In 2014, thanks to FSC members and donations from individuals and Trust Funds, we were able to provide support for over 1000 young people who otherwise would not have been able to take part.

Despite all that we have achieved so far, we hope to provide even more opportunities for people of all ages and abilities to discover, explore and understand the natural world. However, as an Investors in People charity, we realise we can't achieve this without staff that have a real passion for the work of the charity and a pride in their role within it. Every role in the charity is vital to delivering its mission and vision – if this inspires you and you meet the requirements of the post we would love to hear from you.

FSC London Region

The FSC London Region consists of FSC Juniper Hall, FSC Amersham, FSC Epping Forest and across the city including The Royal Parks. FSC Juniper Hall is a residential field centre, whilst the others are non-residential centres. This means that there are a very high number of students taking part in learning experiences across the region, with over 50,000 learners attending courses across the region annually. The London Region attracts a large number of groups from across the UK and internationally.

Across the region the FSC also has many partnerships that include the National Trust, National Grid, City of London, The Royal Parks and London Legacy Development Corporation. This continues to grow and will expand over the coming years in new projects and developments across the region.

FSC Juniper Hall

Juniper Hall is set in a quiet wooded valley in an unspoilt area of the chalk North Downs. Juniper Hall, leased from the National Trust, is a superb country house dating from the 17th century. It is about 1km from Box Hill and only 40km from central London. Set in a dry valley at the foot of the Box Hill Estate, the centre runs geography, ecology and environmental studies courses for a diverse customer base including all Key Stages from primary through to A-level, as well as University and PGCE groups. There is also an extensive programme of natural history, art and craft courses for adults and families.

Accommodation for the guests is spread between Juniper Hall itself and Cedars, which is a more recent addition. The centre can accommodate up to 120 people in a mixture of bedrooms and dormitories.

Looking after our customers is of paramount importance and all staff play their part in ensuring we offer outstanding customer service. The management of the Centre is inclusive, with everyone being expected to contribute and having the opportunity to develop their skills and experience. There are approximately 30 staff at the Centre.

Juniper Hall lies halfway between the towns of Dorking and Leatherhead and being just 10 minutes from the M25 J9 has good transport links with London and the South East. Box Hill and Westhumble station is one mile away and has regular trains to London. There is a bus stop outside the centre with buses to Dorking and Kingston.
