FSC Flatford Mill

Directions to the Centre

The location of many of John Constable's paintings, Flatford Mill runs over 120 Natural History and Arts courses in a unique and tranquil learning environment.

By Car

The centre is located between Colchester and Ipswich and is about 10 miles from each, approximately 2 miles from the A12.

- From the crossroads near the 'Kings Head', turn right and come down Flatford Lane. It becomes one-way in your favour after 300m. 300m further on, note the direction arrow to the field centre on the first sign.
- Turn left at the second sign, down a narrow steep-sided lane. Do not go into or beyond the Flatford public car park.
- Bear left at the bottom of the hill. The centre forecourt is then 200m further on, indicated by an FSC logo and sign on a low wall.
- On arrival please pull in, onto the forecourt or alongside the buildings in the lane, to keep access unobstructed.

By Train

Our nearest train station is Manningtree, about four miles away from the centre. It is on the main line from London Liverpool Street to Ipswich/Norwich and the journey time is approximately one hour. You can also travel to Manningtree station from the north via Peterborough and Ipswich.

Several taxis operate out of Manningtree station and can be pre-booked by us to meet you at the station and return you there at the end of your course.

The postcode for the centre is CO7 6UL
