<tr><td>Strictly Necessary: cookies let you move around the website and use essential features like secure areas, shopping baskets and online billing. These cookies don't gather any information about you that could be used for marketing or remembering where you've been on the internet. We use cookies to ensure customers can add publications or courses to their baskets, and can register their contact details with the site (which is essential to our administration of our ecommerce services).</td><td>UserId- stores a unique identifier for each user who uses the basket functionality for courses or publications.<br><br>yourAuthCookie -an identifier for each user who registers with the site.</td><td></td></tr>
<tr><td>Performance:cookies collect information about how you use our website e.g. which pages you visit, and if you experience any errors. These cookies don't collect any information that could identify you – all the information collected is anonymous and is only used to help us improve how our website works, understand what interests our users and measure how effective our advertising is. We use cookies via Google Analytics.</td><td></td><td><table>
