

Coastal Management Strategies

1. Suggest two reasons why we need to investigate coastal management.

i.

ii.

2. List the four main coastal management options:

i.

ii.

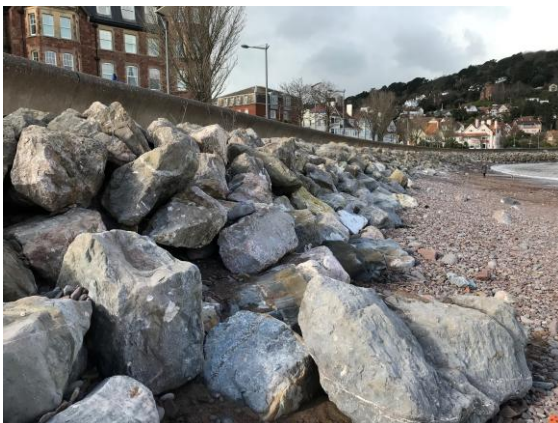

iii.

iv.

3. Describe one qualitative and one quantitative method for assessing sea management defences. Suggest one benefit and one limitation for each.

Example	Advantage	Disadvantage

3. Specify the name of the sea defence shown below. Explain how it works as a defence and one advantage and one disadvantage of this type of defence.

Name of defence:

How it works:

One advantage

One disadvantage

4. Specify the name of the sea defences shown below, in the boxes provided. Explain how it works as a defence and one advantage and one disadvantage of this type of defence.

Name of defence:

How it works:

One advantage

One disadvantage

Name of defence:
