Residential Centres 2026/7

The Field Studies Council has 12 residential properties throughout the UK in some unique buildings and stunning landscapes. The centres provide full board accommodation for up to 178 people with generous sized workrooms, interactive whiteboards and free wifi. Select centres have specialist field equipment including a marine vessel or RIB for charter. There are also adventurous activities available at our AALA licenced centres.

From quiet spaces to adventurous places.....

We offer:

- Comfortable accommodation
- Large meeting rooms with interactive whiteboards
- Catered menus, accounting for allergies and different faith groups
- Optional self-catering at some centres
- Free wi-fi internet access
- Adventurous activities available at select centres
- 24hr duty and on call system
- Free pre-visits with planning support from centre staff
- Wet weather gear available for hire
- Access to a range of inspiring landscapes

Parking	30 cars, 3 coaches
Garden	Yes

Local attractions

With easy access to both the coastline of Morecambe Bay, the glaciated uplands of the southern Lake District and the lakes of Windermere and Coniston, Castle Head is ideally situated for a wide range of both field studies and adventurous activities.

How to get there

By Car: Perfectly located only 20 mins from the M6, 1.5 hours' drive from Liverpool and Manchester. Follow the A590 sign posted for M6 then join the B5271.

By Train: The nearest railway station is Grange over Sands on the Barrow to Manchester Airport line.

By Bus: The X6 bus connects Ulverston with Lindale.

Field Studies Council

Dale Fort

Dale Fort is set in a spectacular location high on the cliffs within the Pembrokeshire Coast National Park, giving superb views over the sea. Built in 1856 to defend the Milford Haven waterway against invasion, it has been a field centre since 1948. It is ideally located for coastal studies and for accessing Skomer Island with its renowned resident sea bird populations, including puffins, guillemots and razorbills.

Bed capacity	154 (144 comfortably)
Total no. of bedrooms	33
No. of en-suite bedrooms	18

Garden	Yes

Local attractions

- Great water-sport areas and facilities including tuition and sailing craft hire.
- Close proximity to surf beaches: West Dale (5 mins), Broad Haven (20 mins) and Newgale (40mins).
- On the Wales Coastal Path.
- Walking access to rocky shore habitats from very exposed to very sheltered, and saltmarsh.

How to get there

By Car: From the M4 (Junction 49) follow the A48 to Carmarthen and then the A40 to Haverfordwest. From Haverfordwest take the B4327 to Dale. There is no coach access to Dale Fort, a drop off in the village is required. We provide a luggage shuttle.

By Train: The nearest railway station to the Centre is Milford Haven.

By Bus: Please visit Fflecsi travel's website or download the Fflecsi app.

Field Studies Council

Flatford Mill

Flatford Mill is the first and original field studies centre which was set up in the UK during the 1940's. It is the centre for Constable Country, set amidst the quintessentially English countryside of the Dedham Vale in Suffolk and sits on the banks of the River Stour. Flatford Mill runs residential field study visits for school students and provides a very wide range of natural history and art courses.

Bed capacity	74
Total no. of bedrooms	21
